

THE TRENT CAMPAIGN FOR MOMENTOUS CHANGE

GZOWSKI COLLEGE ENDOWMENT FUND CASE FOR SUPPORT

“

Peter Gzowski College is a young, vibrant collegiate community. Our students are forward-thinking, flexible, and innovative; they take intellectual risks for great rewards while respecting and honouring the past. I am proud to work with a body of gifted and open-minded students who really are the minds of the future. I think Peter would have been thrilled to see how his namesake has developed.”

DR. MELANIE BUDDLE, College Principal

ABOUT GZOWSKI COLLEGE

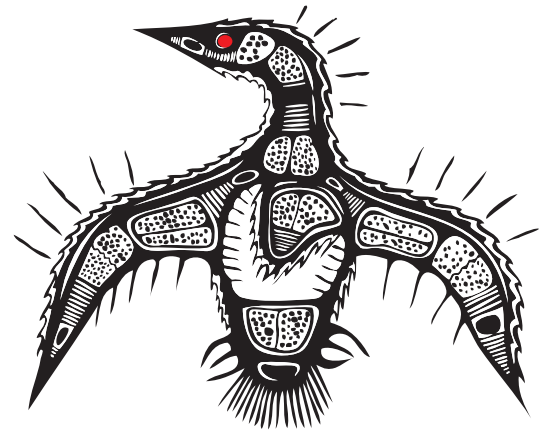

Gzowski College, Trent's youngest college, was established in 2004 and named after distinguished Canadian broadcaster and former Trent Chancellor, Peter Gzowski. Adored by Canadians, Peter was known as someone who listened and welcomed conversation and diverse opinions.

A sense of entrepreneurial risk-taking comes along with our youthful college spirit. Gzowski students are young and vibrant momentous change leaders, balancing traditional knowledge with modern ideas, no matter what they are studying.

“

Gzowski College was the place where I was able to create communities that last far beyond the walls of the Enwayaang building.”

BRITTANY LUTES '10, young Alum and Giving Circle Donor

THE WAY WE SPEAK TOGETHER

The college is housed within a building named Enwayaang, an Anishinaabek word meaning “the way we speak together.”

The college motto, written in Anishnaabemowin, expresses our youthful college spirit of innovation: “Nendimowinan eniigaanbidegin zhidchigaadenoon nongwa” (The minds of the future are made great beginning today.)

Key Themes:

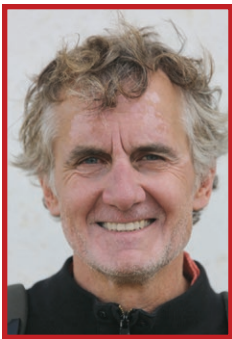

- Sustainable social enterprise
- Research and innovation in business and beyond
- Indigenous leadership and knowledge
- An image of a loon serves as our logo and crest, BAMB the Moose is our mascot and our students are members of our Gzowski “Bammily” (family!)

THE WAY WE GIVE TOGETHER

Your support for the Gzowski College Endowment is an investment in collegiate life and collegiate spaces (indoors and out). Your gift supports student leadership and programming initiatives that empower students to braid their studies with co-curricular experiences.

An investment in Gzowski collegiate life helps the next generation of students interested in Indigenous leadership, environmental sustainability, and research and innovation to learn and collaborate with intention. Thank you for enriching our collegiate community.

“

I give to the Gzowski College Endowment as I'm inspired by the community's connection to Indigenous collaborative programming, social enterprise, and innovation. The energy of the young alumni and current students is infectious.”

A TIME FOR MOMENTOUS CHANGE

The world around us continues to change at an unprecedented pace and requires agile, responsive, and future-ready graduates. At Trent, we believe that a healthy, sustainable future requires broad perspectives and collaboration at the intersection of disciplines. It requires us to challenge our own knowledge and belief systems, and to exchange ideas within a vibrant intellectual community – our colleges.

Trent's colleges have been at the centre of the student experience for more than 50 years. Colleges are more than residences, dining halls and classroom spaces. The collegiate system is where new ideas flourish, where students from all corners of the world are pushing the boundaries of knowledge as they learn and discover together.

Your investment in Trent's colleges is an investment in a brighter future for all.
